

DN Community Federal Credit Union would like to introduce Shared Branching. This network allows you to perform transactions at participating credit unions. With more than 5,000 locations nationwide, access to your accounts has never

been easier. By providing your account number, name, and valid ID, deposits, withdrawals, transfers and loan payments are now available when and where you need them. Ask one of our representatives for more information on Shared Branching!

WHAT CAN I DO WITH SHARED BRANCHING?

| | | | |
|---|--|--|---|
|  WITHDRAWAL |  DEPOSIT |  LOAN PAYMENT |  TRANSFER |
|---|--|--|---|
