

Lobby Re-Opening Guidelines

Our lobbies will reopen on Tuesday May 26th at both the Fulton and Mayfair locations. We still encourage “at risk” members to use the full-service drive-up lanes and/or electronic services to limit exposure to the public. We will be cleaning and disinfecting high traffic areas regularly, as well as the ATM screen. We prefer you limit your party size to only those required to complete a transaction. Below are some guidelines if you decide to come into the credit union:

- Appointments are recommended for all new accounts, loans, and complex transactions.
- Members who enter our lobbies are required to wear a face covering by government mandate.
- Please be prepared to provide us with a photo ID.
- If you are not feeling well or showing symptoms of illness, please do not come into the credit union. We can service you from our drive up.
- Social distancing rules will apply in our lobbies.
- Restrooms will not be available to members or the public.

Thank you for your cooperation and doing your part in adhering to these guidelines in this difficult time.
